

Summer Reading Log 2016

Parents,
Please select Option A or Option B for Summer Reading. Completed charts are due to ELA teachers by September 8/9th, 2016.

Option A: Initial each box on the days your student read 15 minutes per day totaling at least 20 hours from 6/13-9/4. Be certain to calculate total # of minutes per week and total number of hours in the box in the lower right hand corner of the chart.

OR

Option B: Please sign here verifying that your student read for at least 20 hours during this time period. No daily calculations are needed for this option.
